We support HACAN* and NOTRAG* in their opposition to BAA, BA and the government's plans to:

- build a third, full size runway
- end runway alternation
- add 50% more flights per year

You will have been sent an official questionnaire and may be wondering how to complete it.

The advice from HACAN is to write: "I am opposed to any further expansion of Heathrow" and provide no further information

The public exhibition at the Holiday Inn, Brentford Lock by the Department of Transport will have an alternative exhibition by HACAN in the same venue.	The public meeting at Hounslow Civic Centre will be held by Hounslow Council
