Dear Mr Deakins,

**Boston Manor: Proposed CPZ. Formal Response to Consultations.**

**Ref: TMO/P001/09.**

The Planning Consultative Committee of the Brentford Community Council considered this proposal on March 12 2009 and resolved to request that:

The designation of parking spaces should be changed so that the MAJORITY of the spaces available for residents should ALSO be available for 4 hour parking by non residents who pay the charge at the meter. This would enable Hounslow residents to visit each other when they do not live in the same parking zone.

Yours faithfully.
