Dear Marilyn and Robert,

Planning Applications in the Brentford Area.

The Planning Consultative Committee of the BCC met on September 18 and adopted the following views on recent applications and other matters in the Brentford area. I would be grateful if you can include these views and note our requests in your actions and reports to members:

Town Meadow, Pump Alley Variation of Condition 15. No objections
1053 Great West Road. Illuminated advertisement. Object to proliferation of advertisements.

Brentford Lodge Cycle Store. No objections.

27 Hamilton Road Rear roof + Ground floor side extension. No objection.

941 Great West Road. Proposed amendment to approval for roof extension. Objected to the scheme as presented for consultation, which adds to the inappropriate extension already built.

We also note that several important drawings were excluded from the file in Brentford library and request that the consultation period be extended so this can be remedied.

Audi West London, Totem. We have received the architect's drawings and considered their impact on site. The pole is placed at the corner of the site adding to the extensive advertising element in the building. We request refusal.

The BCC also received a presentation on the preparations being made for a planning application which may be lodged in April 2009 for Griffin Park, the Fountain Leisure site and the Lionel Road site. We ask to be kept fully informed as the development process continues.

Alfa Laval. The BCC has made representations objecting to this application. We request that these objections are included in any further discussions leading to revisions following the recent ruling on the appellant's appeal.

Gunnersbury Park. We request a copy of the Consultants Report on the restoration of Gunnersbury Park and to be kept informed as further information is produced.

BAAP. The BCC was a party to the recent PLI. We request a copy of the report which we understand is now expected in October.

Yours sincerely

Denis Browne, Chairman, Planning Consultative Committee BCC.
