December 4 2011

Dear Mr Jordan,

**Consideration of Planning Application:  
Sustainable Development Committee  
October 27 2011 Item 56  
Land at Chiswick Roundabout.**

I have been asked by the Planning Consultative Committee of the Brentford Community Council to write to you to formally endorse the view of the West Chiswick and Gunnersbury Society, objecting to the manner in which the Sustainable Development Committee determined the application for Land at Chiswick Roundabout on October 27 2011.

We would further ask that the Council reviews and monitors the procedures for determining planning applications to ensure that members are fully and fairly presented with the relevant information before applications are determined.

Yours sincerely

Denis Browne  
Chairman, Planning Consultative Committee  
Brentford Community Council.
