Chairman's Notes

3. Scottish Widows 2. St George have now purchased the office complex at Kew Campus to extend the Scottish Widows development. John Thompson architects have been also appointed for this site. First scheme (Dec 2010) showed continuous high buildings to High Street in style of Scottish Widows and varying buildings and riverside open space. 220 flats + offices + restaurants with density higher than Scottish Widows.

8. Commerce Road expected to go to Area Cttee in Jan and SDC in February/March.
