Dear Stephen

Planning White Paper

An early draft of our response to the Planning White Paper is available [here in pdf](#) and [here in Microsoft Word format](#). We hope it assists you with preparing your own.

The points made in the draft will be discussed at the AGM on Thursday of this week, following the official business, and your comments then and any additional points you want to raise by email will be used to develop London Forum's input to the Government. We will also circulate our final version as submitted. Please note the **deadline** for response is 11:45 p.m. on **29th October**.

Many thanks to all the people who completed our survey. The link to the White Paper itself is [here](#), and a London Forum briefing for members is [here](#). (They should open as pdfs when you click the links.)

AGM

If you have not already done so, please also note that you need to [register in advance](#) for our AGM on 15th October ([link to agenda circulated on 7th September](#)). The London Forum's Annual Report with accounts is [here](#).

Many thanks and best wishes

Peter Eversden
