Dear Sir:

**Planning Appeal: Albany House, 41 High Street Brentford,
Application for Rule 6 Status
Ref No: 206 1842.**

I enclose a copy of an e-mail received this morning from the Legal Services department at Hounslow informing me of the appeal dates for Albany House and indicating a closing date which has already passed.

The Planning Consultative Committee of the Brentford Community Council regularly reviews all major planning applications in the Brentford Area of Hounslow and sends its views to the Planning Department. These views are included in officers' reports to members.

Last year we sent our views (BCC 388, attached, refers) on this application. We had understood that the applicant might appeal against the refusal, but when we were asked to comment on the second (amended) application we were under the impression that the possibility of an appeal had receded.

I understand that you notified us on January 29th 2008, but this letter appears not to have been received until it was sent to us today as an attachment to the email.

The BCC have been rule 6 parties at 4 recent inquiries in Brentford including the extended hearings into the Scottish Widows site and the Commerce Road site and I anticipate that the BCC will wish to resolve to be represented as a Rule 6 party at our next meeting.

I would therefore be grateful if you would invite the BCC to be a Rule 6 party and/or to give extended written evidence.

Yours faithfully
