Dear Paul and Sue,

Dec 02. 06.

**Planning Application: Site of the Former Scout Hut,  
Market Place/ The Butts.**

BCC 364 dmb

Further to my letter of December 1<sup>st</sup> 2006 I would like to make two corrections which I hope you will include in your reports:

1. The revised application drawings do not show a footpath and pedestrian gate. The BCC would like to endorse this omission. It preserves the Common from any access to these sites over the Common. The BCC strongly opposed any such access and wish to reduce those which have already occurred.
2. We agree that the boundary garden wall should be built in brick. As the adjacent no 28 Market Place has been built in London Stock the preferred finish for the garden wall would also be in London stock brick.

With these corrections I hope you can put our views to your members.

Yours sincerely

Denis Browne  
Chairman, Planning Consultative Committee  
BCC.
