Dear Mr Doran,

Proposed Development Hamilton Road, Brentford
Ref: 00546/P2.

I refer to our telephone conversation today. I can confirm that the BCC wrote a letter to the Council (BCC 302, attached for easy reference) asking the Council to refuse that or any development on the back land north of Hamilton Road.

We understand that the present application is for a similar scheme, which would give rise to the same request that the application is rejected.

We have invited the applicant to speak to the BCC and local residents on January 12 so that he can explain his new proposal. This meeting may lead to further thoughts by the applicant, but on the basis of the information we have received so far the BCC will be asking you to refuse the current application. We, therefore, ask you not to approve the current application before we write to you again with fuller details.

Yours sincerely

Denis Browne
Chairman, Planning Consultative Committee
