Dear Mr Rae,

**Local Plan Proposed Submission Document 2015/2030.
Consultation Responses.**

I have been asked by the Brentford Community Council to thank you for the extension of the consultation period from April 22 to April 30th which has allowed the BCC to formulate our comments on the various policies in your documents.

As you will know the major impact of the proposed plan lies in central Hounslow and in Brentford, so it is inevitable that many of the policies are of direct concern in the Brentford area.

I attach our representations on the following policies:

Spatial Planning,
TC1 Town Centre
TC2 Ensuring Future Vitality in Town Centres
ED1 Promoting Employment
ED2 Land Supply
ED3 Great West Road
SC1 Housing Growth
SC4 Scale and Density
SC5 Internal/External space
SC8 Specialist and Supported Housing
CC3 Tall Buildings
CC4 Heritage
CC5 Advertisements
GB5 Blue Ribbon Network
CI2 Education
EQ1 Environment
EQ4 Air Quality
ED6 Lighting
EC3 Heathrow
IMP1 Sustainable Development
IMP2 Monitoring

Vol 2 Allocated sites:
General
Site 06 B SkyB
Site 07 Gillette
Site 17 Brentford Waterside

In addition our representations on policies EC1 (Strategic Transport) and EC2 (Transport Network) are in an advanced state of preparation, and will be sent to you on Friday.

We apologise for these late submissions but I am sure you will appreciate that this consultation, which has come at the same time as CIL, FALF and the Brentford and GWR Character Studies has been difficult to complete in the limited time available.

Yours sincerely

Denis Browne
