6. Please set out what modification (s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at 5 above where this relates to soundness. *(NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination).* You will need to say why this modification will make the Local Plan legally compliant or sound. TC2 b.

Add the text

"The district centre should include a cultural and social focal point at the centre of the site which should include the Waterman's Arts Centre if relocated, the Brentford Library if relocated, a bookshop/art gallery/café facility and toddler play space.

Replace the text "Improving links from the High Street to GWR"

With the text:

"Pedestrian links along the Canal and Half Acre (to Brentford Station and the GWR) should be improved by generous pavements, seating, tree planting and good signage without destroying the traditional scale and character of the area. These links should be extended by ferry or footbridge to Kew Gardens and by a Thames-side path to Kew Bridge and to Old Isleworth as proposed in the Thames Landscape Strategy."

(Continue on a separate sheet if necessary)
