4. Do you Consider the Local Plan is:

(Please tick as appropriate)

i) Legally Compliant	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>
ii) Sound	Yes	<input type="checkbox"/>	No	<input checked="" type="checkbox"/>
iii) Complies with the Duty to co-operate	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>

5. Please give details of why you consider the Local Plan not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

This policy does not appear to be based on statistical evidence of the rapidly growing proportion of the population of advanced age who are vulnerable or suffering from dementia to the point where they require special accommodation.

While we agree that those who can be supported in their own homes and who wish to remain independent should do so we consider that the policy is not written in a way which will ensure that the increasing number of dependent elderly have a real choice of provision.

(Continue on a separate sheet if necessary)

6. Please set out what modification (s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at 5 above where this relates to soundness. *(NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination).* You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

We would suggest that the policy be rewritten to ensure that the numbers of Hounslow residents requiring nursing homes, dementia homes or specialist housing, including accommodation with wheelchair access, are regularly monitored, and that these figures are used to predict future demand

All housing schemes over 100 units should be required to provide specialist housing and nursing homes to meet the assessed need.

(Continue on a separate sheet if necessary)

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

After this stage, further submissions will only be at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at the oral examination.

Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

To clarify the reasons why the plan is unsound

Please note the inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.
