8. Minor Applications by Matthew
9. Planning Applications on Line. Resolution to Jan SDC.
10. AOB
11. Date and arrangements for Next Meeting.

Chairman's Notes.

4. The baths were closed by LBH and sold at auction after they had been listed on rec of the BCC. The outer parts were converted to residential. An application to convert the pool hall into studio/offices which could revert to swimming was reluctantly supported by BCC and approved by not executed. Roof is open to weather. Property is on the EH register of buildings at risk.
- 5 (ii) Letter adopted by BCC proposing that building should be at right angles to river (BCC 483 attached for information. Application is on Jan SDC agenda)
6. Paper (BCC 479) by Matthew and Denis in draft for amendment/ adoption as BCC obs to Mayor.
7. In 1994 the Thames Landscape Strategy adopted a 100 year plan for the improvement/management of the Thames between Hampton Court and Kew. A second TLS for Kew to Chelsea followed. From the outset BCC was involved and Denis was for 20 years chair of the Community Advisory Group which contributes to the progress of the plan. Currently after extensive work in Richmond/Ham (Arcadia) TLS is drawing up tentative plans for Brentford and for Kingston Twickenham etc.

The basic document is being reviewed as strategic guidance at a workshop in Brentford Free Church Hall (Half Acre) at 3pm/8pm on January 20th. The last part of the workshop will be the first part of our meeting that evening.

8. Matthew will be reporting on past and present minor applications for comment and so a letter can be sent to LBH.
9. EDMS (Applications on Line) were introduced last April. Meetings to ensure a successful scheme available through libraries and Amenity societies has not yet been resolved. We hope to have the text of the resolution to be put to SDC in January for comment/ endorsement at our meeting.
- 11 Thames Landscape Strategy officers will hold an exhibition and workshop in the **Free Church in Half Acre on January 20th** from 3pm to 8pm. The **BCC meeting will start at 7.15** with a session on the Thames Landscape Strategy. The BCC will be replying to their review questions at the following meeting. Individual members are also asked to reply directly to TLS.

The whole of the TLS document and the review can be accessed on the [TLS](#) web site.
