Chairman's notes.

3. Following the adoption of the Local Plan the Council is now going through a two year process leading to the adoption of a Great West Road Plan which includes THE WHOLE OF BRENTFORD.

They are now consulting on their Issues paper which be seen on our website:

http://brentfordcc.org.uk/index.php/developments-sites-library/cat_view/30-site-development-proposals-and-applications/41-great-west-road

Under Issue 5 you will find reference to their Site Capacity Study This paper shows a lot more detail. It is on the BCC website in the above link section. If you have trouble downloading it phone Jacob Tong (policy) on 020 8583 5202 and ask him to send you info on how to access the paper.

The consultation period runs to February 22 so we need to decide what the BCC approach should be and how a draft can be developed so that we can approve it at our meeting in February.
