3. Great West Road Plan: Issues Paper Consultation. Chris Smith and Louise Prew from the Hounslow Planning Policy Unit presented their work on the Issues paper and urged the BCC to reply by February 22 to the Issues questionnaire and/or by email comments. It was explained that the issues paper had to be read with the background papers although some (on employment, schools and a second housing paper would not be available before the 22nd.

Extensive discussion followed which demonstrated that the Council papers were incomplete and inaccurate and that the issues papers made no attempt to define or defend and policies.

It was further noted that an interim plan for the so called "Kew Gate" area (around Chiswick roundabout) would be prepared in February for informal consultation before being adopted as the basis for planning briefs.

BCC members then agreed to contact as many Hounslow residents as possible by email circulars and by distributing leaflets. These would ask residents to complete the main points in the LBH questionnaire so they could express their concerns and register their interest in the plan with Hounslow. (Lead members: Kath Richardson, Vitas Puig, James Guest and Marie Rabouhans).

BCC would also draft a considered response (Denis) which would be shared in draft with BCC members and be put to next meeting for comment or approval.

5. AOB Deferred to next meeting.

6. Date of Next Meeting: Monday February 8th 7,30pm Griffin ph.
