\*(**item 3**) Plan First. My draft was approved by BCC, improved by Marie Rabouhans and submitted by G15+ to meeting with Leader and Cllr Dennison who acknowledged it but no changes in practice are to be expected. The email from Nick Marbow (3.03) suggests a course of action for discussion.

\*\*(**item 10**) The March agenda will include consideration of the proposals to change the organization of the BCC, the way we work with other Amenity Societies and with resident's groups in Brentford which can be confirmed at the AGM in April.
