Dear Mr Lerner,

The Planning Consultative Committee of the Brentford Community Council met last night. It was attended by 25 residents and 2 ward councillors, who have been copied into this email.

The committee unanimously resolved to object to this application, and to urge you, with the support of our Conservation Officer and the officer from Heritage England, who have also been copied in, to seek the urgent restoration of this important listed building as a single residential unit.

A copy has also been sent to Mrs Dakers whose letter of objection has already been sent to you

Please will you advise me of this application is going to the planning committee with your recommendation that it be refused.

Sincerely

Denis Browne
Chairman, Planning Consultative Committee
Brentford Community Council
