**Chairman's Notes.**

3. John Assael will show us his design for the site. He proposes to retain the present tower. The scheme includes hotel, housing and offices.
4. A meeting has now been arranged with Ballymore on site for May 28. Members are asked to review the BAAP and the High Street Steering Group report to consider what points might now be made.
4. IBAC Planning May 14. will be consulted on 2009 version of the application. The officers' report (see Hounslow web under Chiswick Area Cttee agenda papers) quoted BCC and other Amenity Socs extensively.
5. Matthew may be able to report new timetable for Lionel Road. We have so far no indication of timetables for Alfa Laval, Albany Ho or Commerce Road.
6. I have been sent a copy of this paper which describes the direction of the Mayors's thoughts on how to modify the plan on which he is consulting in May/June.
7. There has been extensive emails both on the problems of large applications and the incompleteness of information on minor applications. Do try to work the system before our meeting so you can share your experiences.
