In December. Jan 8 2018.

Please see Chairman's notes below.

CHAIRMANS NOTES: .BCC Meetings Nov 13 and December 4 2017 minNov017

5. Hounslow has delayed their massive consultation programme. The deadline is now December 10. To meet this change the BCC are bringing forward our December meeting to December 4th to agree final consultation responses.

At our November meeting we will agenda drafts of each paper and set up our arrangements for completion by Dec 4.

Please read the following papers BEFORE this meeting:

Hounslow Local Plan 2015
Great West Corridor Preferred Option Consultation Paper 2017
Brentford East Draft SPD.

7. Great West Corridor; The "vision" has been transposed into a preferred option. This is based on new rail access to Brentford + supporting bus services to improve PTaL. It would allow a rebuild of much of the area with new housing above non-residential.

This is the ONLY chance to comment on this option.

In 2018 LBH will assess responses to this consultation and commission a traffic assessment to see what access improvements are achievable in the plan period 2015/2030. This should produce an alternative option in 2018 which will go out for a second consultation. This will be followed by the final plans which will go to a public inquiry before being submitted for adoption.

8. Brentford East Draft SPD. This consultation also runs to Dec 10. The edited version will then be adopted by LBH, probably in Jan 2018.

From Jan 2018 to the end of 2019 it will be an important guideline for ALL developments in Brentford East, including Chiswick Curve (appeal: June) B&Q/Hudson Square, Capital Interchange Way, Citroen/L&Q Fountains replacement, etc.

9. Watermans Arts Centre. We are advised that these applications may go to Planning in December. BCC have written (BCC 807, attached) at pre-application stage but we need a formal letter on the two applications. I am working on this draft.
