Dear Steve,

Martin Case, the Vice Chair of the BCC, and I sent you an email on October 16 attaching a note on our continuing concerns about development in Brentford. We asked for clarification on your earlier response to us. Unfortunately we do not seem to have received either an acknowledgement that you did receive our email nor a full response. In case it has gone missing I attach a further copy of BCC846.

At the BCC meeting last Monday this position was reported to members and I was asked to write to you again to seek a full reply. I was also asked to copy in the ward members who represented the Syon and Brentford wards.

I look forward to hearing from you.

With best wishes

Denis
