

BEFORE

HELP MAKE BRENTFORD GREENER

FRONT GARDENS, BALCONIES & WINDOW BOXES

To support London becoming a National Park City in July, Air Quality Brentford is launching a 'Make Brentford Greener' campaign to:

- transform our streets into 'green corridors' to encourage biodiversity and wildlife
- make Brentford a healthier place to live and work
- make our environment more attractive

AFTER

JOIN US ON 6-7 APRIL

- We're encouraging residents and businesses to get involved to green their own front gardens, balconies or window boxes. Please join in and help!
- Enter our Green Transformation competition by taking before and after photos, get involved and volunteer some time: airqualitybrentford@hotmail.com
