

Brentford Waterside

Discussing Design Options

Back in late September / early October local people got together over a couple of evenings at Grounds Cafe to come up with ideas for the regeneration of Brentford's waterside, particularly the area around Commerce Rd (Brentford Lock West) owned by ISIS Waterside Regeneration.

Four options were arrived at which have been drawn up for further discussion at an evening event at the Holiday Inn, Brentford Lock on

Thursday 26th November

between 6 and 9pm.

Please come along to hear an update on the Brentford Lock West Project generally and give us your thoughts on the emerging design options.
