

Mr Denis Browne
Brentford Community Council

18 June 2010

Dear Mr Browne,

Development Proposals for Goat Wharf, 42-50 Brentford High Street

I am contacting you on behalf of Notting Hill Housing to inform you of proposals for a mixed-use residential-led development at 42-50 High Street, Brentford, also known as Goat Wharf.

Notting Hill Housing is bringing forward new proposals, which include approximately 90 high-quality apartments including affordable housing and family homes.

Local Dialogue has been appointed by Notting Hill Housing to undertake pre-application public consultation within the local community. This will seek the views of local stakeholders and residents on Notting Hill Housing's emerging proposals before a planning application is submitted to the London Borough of Hounslow later this year.

As part of the public consultation, we will be holding a public drop-in session on Wednesday 30 June between 4pm and 8pm at the Waterman's Arts Centre, 40 High Street, Brentford, TW8 0DS. This event will be publicised to residents and businesses in the local area in the coming weeks. Please do come along to learn more about the proposals and to give us your feedback. We would also be happy to arrange a presentation for you and other members of the Brentford Community Council to discuss the proposals.

If you have any further questions or comments, please do not hesitate to contact me on 020 7357 6606 or by email at zara.hosford@localdialogue.com

Yours sincerely,

Zara Hosford
