For the attention of: Marilyn Smith

Dear Marilyn,

Planning Applications: BCC Observations.

Thank you for sending a number of recent applications to my address for BCC comments. Unfortunately they missed our last meeting so I am sending you the views of our planning executive, which will be reported to the next BCC meeting on July 31st for ratification.

1. Application for display of Advertisement Windmill Road.

We consider that this is a domestic environment where additional advertisements should be resisted.

2. Application to retain an illuminated Advertisement adjacent to Vantage West Great West Road.

We have long opposed the proliferation of advertisements along the Great West Road and urge the Council to refuse consent and enforce removal.

3. Application to retain an Illuminated Advertisement on Sunleys island, Great West Road.

We have long opposed the proliferation of advertisements along the Great West Road and urge the Council to refuse consent and to enforce removal.

4. Application to retain an illuminated mega Advertisement panel at the Westgate Petrol Station 931 Great West Road.

We have long opposed the proliferation of advertisements along the Great West Road and urge the Council to refuse consent and to enforce removal.

5. Application for Listed Building consent. 20 Lateward Road, Brentford.

We consider that the rear dormer should be below the ridge (as the adjacent property. If this is remedied we would support the application.

Yours sincerely

cc Mr. C Richards, Mr.M Rockel
And Mr.S Browne
