Dear Matthew,

I hope this email finds you well.

The ongoing Covid-19 impact and uncertainty have meant that It's been some time since our last meeting and indeed there is still a good deal of uncertainty around when we will be able to finally welcome fans to games at Brentford Community Stadium. However, we would like to propose an online meeting of the Lionel Road Liaison Group on **Wednesday 18 November from 6-7pm** so we can give you an update on how our behind closed doors games are going and start to look ahead over the next few months as we start (hopefully!) to return to some form of normal operations.

There will also be an opportunity as usual for questions on any other matters.

Please could you let me know if you would like to attend and I will send you a meeting invite nearer the time.

Best wishes,

Sally
