**Subject:** Notice of Submission of Hounslow Local Plan reviews to the Secretary of State for Housing, Communities and Local Government

Dear Consultee,

I am writing to let you know that on the 14<sup>th</sup> December 2020, the Council has submitted Hounslow Local Plan reviews to the Planning Inspectorate for examination.

The Council submitted the Local Plan reviews along with an extensive [library](#) of evidence and other documents which can be viewed online at <https://www.hounslow.gov.uk/localplanreviews>. If you do not have access to the internet, we can work with you to try to provide a solution as best we can for hardcopies. We are likely to have significant difficulties in producing large amounts of printed materials until there are changes in national advice on the ability of people to conduct non-essential travel. If such changes are made to permit use of public buildings, documents will be available for inspection at these locations:

- [Hounslow House, 7 Bath Road, TW3 3EB](#)
- [Hounslow Libraries](#)

If you require assistance with accessing the documents, please contact us at:

- Email: [ldf@hounslow.gov.uk](mailto:ldf@hounslow.gov.uk)
- Tel: 020 8583 3419

The Local Plan reviews will now be subjected to an independent examination to be conducted by the Planning Inspectorate. This is a continuous process running from the date of submission through to the receipt of the appointed Planning Inspector's Report. Part of this process will involve hearing sessions where those invited by the appointed Planning Inspector will have the opportunity to respond to matters raised. Once confirmed, all details relating to the examination process will be advertised on the website, made available online and sent to all respondents

The Planning Inspectorate has published a Procedure Guide that explains the Local Plan examination process. You can also view it online by going to:

<https://www.gov.uk/government/publications/examining-local-plans-procedural-practice>

Yours faithfully,

**Danalee Edmund**  
**Head of Spatial Planning**
