Dear Sir/Madam

Site: PLOT G BRENTFORD WATERSIDE HIGH STREET BRENTFORD TW8 0AB

Development: Erection of a nine-storey temporary car park for temporary use providing 508 car parking spaces, 17 motorbike spaces with ancillary storage space and access and 154 sqm (GIA) of D2 floorspace for meanwhile uses.

The Council received observations from you about the above-proposed development and I am now writing to tell you that the application will be decided by the Planning Committee on 07/01/2021.

The meeting will be virtual, a live stream will be available and it is expected the meeting will start at 5PM. Further details of the meeting will be updated in due course. Confirmation of the start time and a link to the meeting will be available on the council's web page:

<http://democraticservices.hounslow.gov.uk/mgCommitteeDetails.aspx?ID=595>

To make sure that the application has been included on the agenda for the meeting, you can log onto **www.hounslow.gov.uk** and follow the links from 'Your Council and Elections' (https://www.hounslow.gov.uk/info/20044/councillors_and_democracy) You will also be able to see the planning officer's report to the committee. The full agenda, with reports, is normally available to view a minimum of seven days before the date of the meeting. Any of the public libraries in Hounslow borough can provide access to the Hounslow Council website. Alternatively you can contact the Committee Administrator, Wendy Merry, on 020 8583 2061 or by email at wendy.merry@hounslow.gov.uk.

The meeting is open to the public, but speakers are only allowed to address the Committee in particular circumstances. If you would still like to speak please contact the Committee Administrator, Wendy Merry on 020 8583 2061 or email wendy.merry@hounslow.gov.uk by 12 noon on the Friday before the Committee date.

If you send any further information to the Councillors on the Committee, please also provide the planning officer with an electronic copy. If you don't do this then the planning officer may not be able to answer questions (or offer solutions) when Councillors raise your concerns about the application during its discussion at the meeting. If it is not submitted to planning officers electronically at least a day before the meeting, it will not be able to be displayed. You are advised that no account can be taken of additional information received on the day of committee.

Very occasionally an application can be withdrawn from the Committee agenda after its publication. If you are intending to be at the meeting you may wish to contact Wendy Merry on 020 8583 2061 on the day of the meeting to check that the application is still being heard.

Yours faithfully
Planning Services
