# INTRODUCING HUDSON SQUARE

**Our proposed redevelopment will be named Hudson Square; building on the industrial heritage of the site, once home to the Hudson Motor Car Factory.**

Find out more about the history of the site at our exhibition.

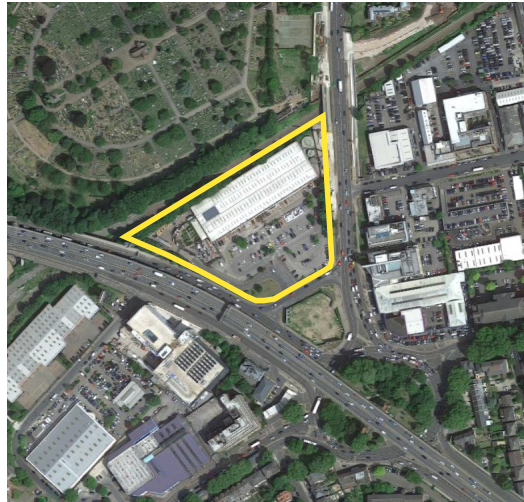

## THE TEAM

Reef Estates are a property development company focused on urban regeneration. Reef Estates and their award winning architects Benoy are passionate about design and place making.

## THE PROPOSALS

Our Hudson Square proposal will create a unique employment-led mixed use development where people can live, work and play. At the heart of the scheme will be a new public square surrounded by retail and restaurants which will support office, car showcase, hotel, student accommodation and new homes for people who live and work in the area. A truly mixed use scheme to regenerate and revitalise this strategically important location.
